Being nominated as a candidate to being inducted into our Hall of Fame isn't based off of how good you were or what division/level you played at. It is about your contributions and dedication to Slow Pitch Softball in Columbus Indiana. Its not about National Championships or State Tournaments won or MVP Awards or how many All-Star teams you made. It's about your participation in whatever capacity that may have been, player, coach, sponsor, umpire, director, scorekeeper etc. The only criteria for being eligible to be nominated is you must have participated for a minimum of 10 years. If you know of anyone

who fits this criteria please nominate them for our class of 2023. This Hall of Fame is for Men & Women.
